REMARKS/ARGUMENTS

Claims 27-32 are being added. Support for new Claims 27-32 can be found in Claims 1 and at page 11, lines 32 to page 12 line 13. No additional claim fee is believed due.

Rejections Under 35 U.S.C. § 102

a) US 6,827,795 (Kasturi)

Claims 1, 2, 10-13, 15-17 and 19 stand rejected under 35 U.S.C. § 102 (e) over US 6,827,795 (hereafter Kasturi) for reasons of record at pages 2 and 3 of the Final Office Action.

Applicants respectfully traverse this rejection to the extent it may apply to the claims as now amended.

For a claim to be anticipated under 35 U.S.C. § 102(e) all of the elements of that claim must be found in the prior art reference, in this instance Kasturi. However, a review of present Claims 1, 2, 10-13, 15-17 and 19 will clearly show this is not the case, as not all elements of Claims 1, 2, 10-13, 15-17 and 19 are found in Kasturi. Claim 1, and consequently dependent Claims 2, 10-13, 15-17 and 19 have been amended clarify that the fabric care ingredients comprise one or more cationic silicone polymers. There is simply no disclosure of this claim element in Kasturi.

As to new Claims 27-32, Kasturi is wholly silent as to linear cationic silicone block copolymers, let alone linear cationic silicone block copolymers, comprising non-fabric

Since Kasturi fails to teach all the elements of amended Claim 1, and consequently dependent Claims 2, 10-13, 15-17 and 19 it does not anticipate the pending claims and therefore it is respectfully requested that this rejection be withdrawn.
